## Mayor Bernero Terminates Snow Emergency Declaration

(LANSING) – Mayor Virg Bernero has ended Lansing’s snow emergency, effective at 5 p.m. today. With citywide plowing operations substantially complete, the emergency order’s prohibition against parking on unplowed streets is no longer necessary. However, the city’s normal street parking rules and regulations continue to be in force, including the prohibition on street parking between 2 a.m. and 5 a.m. In addition, vehicles that have remained on city streets since the snow storm will continue to be subject to ticketing and towing at the owner’s expense under the city’s abandoned vehicle ordinance.
